

Class 5 Autumn term 1 'Take Away Homework Menu'

You will need to choose **three** pieces from the 'menu' below to complete over the half term-one **from each column**. After you have completed each one, please **send a picture of your child's work on ClassDojo** as we are limiting the amount of things that are brought into school. The 'Peri-ometer' shows the difficulty or challenge the homework may offer. It can even be a photograph or drawing of something you have done. All your three pieces need to be done by October half term.

Art, design and technology	Science - Forces and Magnets	Topic - Africa
Make a collage using different materials of an African animal.	Design a game that uses magnets.	Write an adventure story that is set in Africa. Remember to include a beginning, problem, resolution and ending.
Design and make an African instrument.	Find 10 examples of forces in action around your home e.g. pulling a curtain. You can either write these down or use PowerPoint to record your findings.	Create a poster persuading people to visit Africa.
Draw a picture of an African sunset - you can use pencils, felt tips, acrylics, water colours. (Please use any art equipment you have in your home).	Create a poster showing what forces you see every day e.g. swings, door handles, Velcro on shoes etc.	Record a video performing some African music or dancing to some African music. Please send me the video on ClassDojo.
Draw or paint an African flag.	Draw a picture of a magnet.	Find and list 5 animals that are native to Africa
