

'Take Away Homework Menu'

Our homework menu gives you an opportunity to be more creative with your homework this half term and links with our topic. You will need to choose **three** pieces from the 'menu' below to complete over the half term-one **from each column**. After you have completed each one, bring it back to school. The 'Peri-ometer' shows the difficulty or challenge the homework may offer. It can even be a photograph or drawing of something you have done. All your three pieces need to be done by October half term. I will still be sending out weekly English and Maths homework each Friday to be completed by the following Friday. Spellings will be given on Fridays to be learnt for a test on Friday.

<i>Geography and History - Africa & The Ancient Kingdom of Benin</i>	<i>Science - Forces Y5 Forces and Magnets Y4</i>	<i>Art and DT</i>
Try and find a different African country for each letter of the alphabet.	Make a working compass.	Make a model of Mount Kilimanjaro.
Research about a country in Africa which you would like to visit and produce a travel brochure about this place.	Go around your house with a magnet and sort materials into magnetic and non-magnetic.	Research, cook and eat a traditional African meal/dish. Remember to take some photos.
Create an informative poster about Mount Kilimanjaro.	Write an explanation about how magnets work.	Make an African drum.
List 7 different languages that are spoken in countries in Africa	Research and produce a poster about a famous scientist related to forces or magnets.	Research and make some African jewellery.
