

# Class 5 Spring term 1 'Take Away Homework Menu'

You will need to choose **three** pieces from the 'menu' below to complete over the half term-one **from each column**. After you have completed each one, please **send a picture of your child's work on ClassDojo** as we are limiting the amount of things that are brought into school. The 'Peri-ometer' shows the difficulty or challenge the homework may offer. It can even be a photograph or drawing of something you have done. All your three pieces need to be done by February half term.
