

'Take Away Homework Menu'

Our homework menu gives you an opportunity to be more creative with your homework this half term and links with our topic. You will need to choose **three** pieces from the 'menu' below to complete over the half term-one **from each column**. After you have completed each one, bring it back to school. The 'Peri-ometer' shows the difficulty or challenge the homework may offer. It can even be a photograph or drawing of something you have done. All your three pieces need to be done by October half term. I will still be sending out weekly English and Maths homework each Friday to be completed by the following Friday. Spellings will be given on Fridays to be learnt for a test on Friday.

<i>Geography and History - Anglo-Saxons and Vikings</i>	<i>Science - Plants Y4/Y5 Properties and changes of materials Y5</i>	<i>Art and DT</i>
Research the Jorvik centre and present the key information about it.	Make a 'grass head' - https://www.redtedart.com/kids-crafts-grass-heads/	Make a model of an Anglo-Saxon shield.
Research a country in Europe you would like to visit.	Investigate 'dissolving' - have you got things in your home which 'dissolve'?	Research, cook and eat a Viking meal. Remember to take photos!
Create an informative poster about Viking rituals	Write an explanation about how plants survive.	Design a Viking themed board-game.
Identify locations of Viking settlements on a map	Research and produce a poster about a famous scientist related to either plants or properties/materials.	Create an interesting collage of a Viking scene: stormy sea, long boat, a raid!
