Tel:- (01709) 583271

Fax:- (01709) 578092

Headteacher: Mrs P. Belnavis  
Deputy Head teacher: Mr T. Purdy

**Learning Behaviours**

To encourage our children to continue developing the right attitude towards learning there are systems in place including rewards and sanctions. We always aim to focus on praising the positive behaviour demonstrated.

Our dojo system is an effective method of promoting positive behaviour. We will be continuing to use our traffic light system to encourage 'green behaviour'. Children who display positive behaviour will remain on green. If inappropriate behaviour is shown, a warning is given. If the child does not make the right choice, their name will be moved to amber. Should the child immediately improve his/her behaviour and follow instructions given by an adult, their name is moved back up to

green. Any more serious incidents will result in their name being moved straight to red. Any child who stays on green all week will result in a message sent to parents with the good news.

### **Maths**

During this term the children will be focussing on fractions and decimals.

Each week children will have opportunity to develop their number fluency, reasoning and problem solving. They will be challenged to apply their mathematical knowledge at their own level. They will also take part in daily times table practice sheets and once weekly will complete a 10 minute practice arithmetic/problem solving test.

### **Scientific and technological understanding**

This term pupils in both Y4 and 5 will be studying plants. In addition, Y5 will be studying properties and changes of materials.

They will take part in investigations throughout both topics and will have the opportunity to develop their evaluating skills after an investigation is complete.

### **Family Learning Session**

At the moment these are on hold and we do appreciate your support and understanding in this matter. As the situation moves on, we will use government guidance, only inviting you to work in school with your child once it has been deemed safe to do so.

### **History and Geography**

Children will be studying Anglo-Saxons and Vikings. They will be looking at the two invaders and comparing them. They will look at their way of life and discuss how it is similar/different to ours now. We will explore what the Anglo-Saxons and Vikings contributed to our country and how it has had an impact on our lives today.

We will use maps to plot the route taken by the invaders and compare the climates of those countries with our own.

### **Art and design**

Again, linked to our topic, children will be using different mediums: sketching pencils, paints, water colours and clay to create artistic work with their own interpretation and creative slant. We will be constructing a replica Viking long ship with moveable oars.

### **PSHE**

Our Jigsaw topic this half term will be: 'Healthy Me' This is a great topic for the children to think about not only a healthy body and healthy mind but also making and keeping healthy relationships.

### **Religious Education**

Over the year children study Christianity and one other major world faith. This half term we will be looking at Christianity and specifically focusing on 'Easter' answering the key question: 'Is forgiveness always possible?'

### **Contacting school**

If you need to talk to me, please see me at the end of a school day. If you are unable to do this, you can phone the school office after 3:15pm. If I am not available, I will endeavour to ring you back at the earliest opportunity.

### **Topic**

Our topic for this term is 'Anglo-Saxons and Vikings'. To start we will focus on Anglo-Saxons before moving onto Vikings and we will place them along our timeline.

We will look at the journey which they each took, their fighting methods, settlements and think about why they might've wanted to invade.

We will be reading texts such as: Anglo-Saxon Boy and How to train your dragon.

### **English Fiction**

Children will have the opportunity to write a story and diary based on How to Train your Dragon and a biography about a person of their choice

English work will be linked to our topic helping the children to deepen their understanding. As a school, we feel that if they can be encouraged to write creatively it will help them to understand the characters in the story and their motivation behind the words they speak and the actions they carry out. Children will continue to develop their use of thesauruses to help extend their vocabulary.

In reading children will be developing their comprehension skills involving looking at different types of questions and what skills are required to answer them as well as entering discussion based on our class novel.

We will also have a 'spare time' reading book which the children will listen to and have the opportunity to answer questions about whilst also practicing their echo reading.

### **Non-Fiction**

Pupils will be studying different elements of SPAG (spelling, punctuation and grammar) which they will embed into their independent writing. The children will be developing their skills of reading for information during both reading and topic lessons.

### **Homework**

Homework is given out to all children on a Friday and will need to be handed in by the following Friday. Creative homework linked to our topic will be set each half term (see separate menu).

Please can your child also read at home at least three times a week and make sure they bring their reading diary each day to school with them. Dojo's are awarded for this!

Spellings will be given out on a Friday for your child to learn ready for a test on the

following Friday.

### **School times.**

During this current time, Class 7 will begin their day at 9:00am. You are welcome to wait with your child at 9:00am when myself or another adult will come out to collect the children and take them into school.

Home time pick up is at 3:15pm. You are welcome to wait for your child.

If your child walks home alone, they can leave at 3:15pm but please ensure the school is aware of this. If you need to speak to Miss Johnson, simply wait until the other children have left.

### **\* Reminders \***

### **PE**

During this term PE will be on Wednesday. Although it is recommended that the children bring their kit on Monday and take it home on Friday in case of additional sessions.

**All children must have appropriate PE kit and should not wear any jewellery including earrings.**

If you need to have a word with your child's teacher please arrange an appointment after school when they will be happy to discuss your questions or concerns.
