

Class 8 Spring Term 2 'Take Away Homework Menu'

Fun and creative homework for this half term. Choose **three** pieces from the 'menu' below to complete over the half term-one **from each column**. After you have completed each one, bring it back to school. The 'Peri-ometer' shows the difficulty or challenge the homework may offer. It can even be a photograph or drawing of something you have done. All your three pieces need to be done by **April half term**. I will still be sending out weekly English and Maths homework each Friday to be completed by the following Friday.

Art and design	Science - Properties of materials	Vikings
Make a Viking helmet https://www.zygotebrowndesigns.com/post/2016/08/27/cardboard-viking-helmet-with-horns (for inspiration)	Bake something to show an irreversible change i.e. egg, toast, bread, buns etc and write down what you did	Create a leaflet about Viking life
Make a Viking shield	Log on to www.sciencebob.com and complete an experiment and write up what you did i.e. plastic milk	Create a Viking quiz
Design a dragon head for a boat	Create a fact file on scientist and the new material they made i.e. Spencer Silver (glue for sticky notes), Leo Baekeland (Bakelite plastic)	Write a diary about going on a raid.
Draw and label a Viking	Draw a household item and label the different materials it is made of	Create an advertisement poster to join the Vikings
