

MATHS

As Year 4 mathematicians, our children will access the White Rose scheme and study:

- Place Value
- Addition and Subtraction

ART

As artists, the children will:

Create a tie-dye T-shirt.

- Analyse and research tie-dye artists
- Explore a variety of dyes

WRITING

As authors, the children will write:

- An adventure story
- A diary entry
- A fantasy story

HISTORY

As historians, the children will find out:

What does the evidence tell us about the Ancient Egyptians?

Ancient Egypt

READING

As readers, our children will use the following genres to support their learning:

- Fiction: Flat Stanley the Great
Egyptian Grave Robbery
- Poetry: Down Behind the Dustbin
- Short Narrative: The Scarab Beetle
- Non-Fiction: Content, index and features

PE

As athletes, the children will focus upon:

- Dodgeball
- Hockey

Children will need their PE kits on a Wednesday and Thursday (bring it to school on Monday and leave it for the week)

FRENCH

As French linguists, the children will cover the following units:

- Colours
- Parts of the body

Some subjects do not link directly to the theme and will therefore be taught discretely

SCIENCE

As scientists, we will learn about forces and magnets.

Children will compare how things move on different surfaces, notice the relationship between forces, compare and group everyday materials and use prediction skills.

MUSIC

As musicians, the children will be taught how to play the ukulele, with Mr Smith, from Doncaster Music Service.

We will focus on learning notes and chords to play simple songs on the ukulele

RE

We will discuss:

- Why is the Bible important to Christians today?

COMPUTING

As users of technology, the children will learn about:

Computing systems and networks – the internet
