

MATHS

As Y1/2 mathematicians, our children will access the White Rose scheme and study:

Y1 – multiplication and division, fractions, position and language

Y2 – Fractions and time

History

As historians, the children will learn about:

- What a monarch is
- Queen Elizabeth I and what life was like in the Elizabethan era
- Queen Victoria and what life was like in the Victorian era
- Making comparisons between Queen Elizabeth I and Queen Victoria

PE

As athletes, the children will be covering:

- Problem solving and team building
- Ball skills

PSHE (Jigsaw)

Relationships

RE

We will discuss:
What makes some places sacred?

Design Technology

(Cooking and nutrition)

As chefs, the children will:

- Explore and taste a range of fruits and vegetables
- Cut fruit and vegetables safely
- Design and make a healthy snack
- Evaluate final healthy snack

Queens

Some subjects do not link directly to the theme and will therefore be taught discretely.

Science

As scientists, the children will learn about:

- What animals need to survive
- How mammals, birds reptiles, amphibians and fish grow
- Life cycle of a caterpillar

Writing

As writers, the children will write:

- Dictated sentences
- A character description
- Retell a story
- A non-chronological report
- A set of instructions
- A letter or invite

Reading

Little Wandle Phonic Scheme

The school uses the phonic scheme Little Wandle. The children will have a daily phonic session and 3 practice reading sessions a week. Reading sessions will include decoding, fluency and comprehension skills.

Reading

The children will be exposed to a range of texts through discrete guided reading sessions, hooks for writing and storytime at the end of the day. These are some of the books we will be reading this half term:

Computing

As users of technology, the children will:

- Use a computer to make music

Music

As musicians, the children will listen to a range of songs, sing and play instruments.

Topic: Friendship
Genre: Pop
