

**MATHS**

As Y3/4 mathematicians, our children will access the White Rose scheme and study:

- Fractions
- Money
- Time

**Geography**

As geographers, the children will find out about:

- Where coal is found in the world
- Where coal was mined in UK and locally
- How it was transported and the impact on land use
- How land is used locally and how it has changed
- Renewable alternatives to coal

**PE**

As athletes, the children will be covering:

- Netball -invasion games
- Hockey -invasion games

**MFL**

As French linguists, the children will cover:

- Days of the week
- Hobbies

**RE**

We will discuss: Why do some people think that life is a journey and what significant experiences mark this?

**PSHE (Jigsaw)**

Relationships

**Art**

As artists, the children will:

- Learn about the artist Vallerie Ganz
- Experiment with charcoal and chalk
- Create a charcoal or chalk picture of a miner
- Evaluate their art work

**UK changes in land use**

**Some subjects do not link directly to the theme and will therefore be taught discretely.**

**Science**

As scientists, the children will learn about:

- Compare and group rocks by appearance and physical properties
- Fossil formation
- How soil is made

**Writing**

As authors, the children will write:

- A fable
- An argument/discussion
- A set of instructions

**Reading**

As readers, our children will use the following texts to support their learning:

They will make predictions, retrieve information, justify their answers and summarise what they have read. They will read a range of Kenning poems and non-chronological reports.

**Computing**

As users of technology, the children will learn about:

- How digital images can be changed and edited
- The impact of editing an image
- Evaluating their choices

**Music**

As musicians, the children will listen to a range of songs, sing and play instruments.

Year 3 Topic: Bring us together  
Genre: Disco  
Year 4 Topic: Blackbird  
Genre: 60s pop
