

Pupil premium strategy statement

This statement details our school's use of pupil premium funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	New Pastures Primary School
Number of pupils in school	271
Proportion (%) of pupil premium eligible pupils	38%
Academic year/years that our current pupil premium strategy plan covers	2025 - 2026
Date this statement was published	September 2025
Date on which it will be reviewed	September 2026
Statement authorised by	Mrs S Hall
Pupil premium lead	Mrs S Hall
Governor / Trustee lead	Mr M Oldknow

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£153,070
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year	£153,070

Part A: Pupil premium strategy plan

Statement of intent

All children at New Pastures Primary School, regardless of their starting points or when they start our school, will make expected progress in reading, writing and maths as a result of quality first teaching. All children will access a broad and balanced curriculum, with well-planned learning opportunities embedded within it.

Phonics and early reading is a key priority at New Pastures and we aim to provide all children with increased opportunities to read well-matched books and to develop a love of reading, shared with parents and carers at home. We will also prioritise foundation skills in writing and mathematics so that our children are equipped with the necessary knowledge and skills for the next phase in the education.

In addition to this, we will provide a pastoral support service for pupils, with a particular focus on emotional literacy. We will aim for disadvantaged pupils to increase their attendance at school, and to reduce the rate of persistent absenteeism. Improved, regular attendance will contribute to closing the gap between themselves and non-disadvantaged pupils; we expect **all** children to engage positively in all aspects of academy life.

We will facilitate pupils accessing a wide range of enrichment experiences both in and out of school, which will positively impact on their academic achievement and well-being.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Some children entitled to pupil premium have multiple barriers to learning that impedes their progress and attainment.
2	Children entitled to pupil premium are less likely to learn at home, especially with reading to an adult. This is a particular challenge for our younger children.
3	There are limited life experiences and opportunities to join in enrichment opportunities within the local area.
4	Children entitled to pupil premium are persistently absent from New Pasture.
5	Children have low starting points when they enter the nursery, especially in the area of communication and language development.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<p>Pupils make at least expected progress in reading, writing and maths.</p> <p>Ensure there is no attainment gap between children who are entitled to pupil premium and those who are not.</p>	<ul style="list-style-type: none"> - Analysis of data will identify where the gaps in attainment are and as a result of quality first teaching, these gaps will close. Children who are entitled to pupil premium will make at least expected progress.
<p>Opportunities for homework will be planned to reinforce reading and maths.</p>	<ul style="list-style-type: none"> - Improved phonics screen check results for children by the end of Year Two. - Increased rates of progress in reading in all age groups. - More children will achieve 25/25 on their multiplication tables check.
<p>Children entitled to pupil premium will have improved attendance and their rates of persistent absenteeism will reduce.</p>	<ul style="list-style-type: none"> - Attendance of identified children/ families entitled to pupil premium increases to at least 96%. - The number of children who are persistently absent will be less than the national figure.
<p>Pupils access a wide range of enrichment experiences both in and out of school.</p>	<ul style="list-style-type: none"> - All children will attend enrichment activities; funding will not be a barrier to engagement. - Pupil surveys reflect enjoyment in school and improved attitudes to learning.

Activity in this academic year

This details how we intend to spend our pupil premium **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £ £90,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
<ul style="list-style-type: none"> Ensure all classes are a manageable size by mixing age groups. Plan provision and curriculum for teaching groups within these classes. 	<ul style="list-style-type: none"> - EEF Toolkit – Reducing Class Sizes +2 month - EEF Toolkit – One to on Tuition +5 months - Sutton Trust (2011) ‘ensuring n effective teacher is in front of every class is The key ingredient and should rightly be priority for any pupil premium spend.’ 	1, 2 and 5
<ul style="list-style-type: none"> Effective CPD to ensure quality first teaching for all pupils. 		
<ul style="list-style-type: none"> Coaching sessions for teachers to improve subject knowledge and leadership 		1, 2 and 5
<ul style="list-style-type: none"> Maths, Reading and Writing have high priority on school development plan. 		1 and 2
<ul style="list-style-type: none"> Meetings to talk about children’s attainment data track progress of PP pupils and appropriate, timely interventions are put in place. 	<u>EEF – Teaching and Learning Toolkit</u> <i>One to one and small group tuition has a high impact on pupil progress</i>	1 and 2

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £ 35,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
<ul style="list-style-type: none"> Plan interventions for children not on track in phonics and early reading. 	<u>EEF – Teaching and Learning Toolkit</u> <i>One to one and small group tuition has a high impact on pupil progress</i>	1, 2 and 5
<ul style="list-style-type: none"> Purchase online resources (TT Rockstars, SATs Companion) to support with targeted interventions. 		
<ul style="list-style-type: none"> Increase staffing structure in EYFS to include early starters in nursery 	<u>EEF – Early Years Toolkit</u> <i>Beginning early years education at a younger age appears to have a high positive impact on learning outcomes.</i>	1 and 5

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £ 30,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
<ul style="list-style-type: none"> Appoint an Inclusion Support Assistant to collaborate with parents/ carers. 	<u>EEF – Teaching and Learning Toolkit</u> <i>Parental engagement has a positive impact on average of 4 months additional progress... these are typically more effective with parents of young children</i>	3, 4
<ul style="list-style-type: none"> Improve provision and intervention programmes for children with social and emotional needs. 	<u>EEF – Teaching and Learning Toolkit</u> <i>Behaviour Interventions</i>	1 and 4
<ul style="list-style-type: none"> Establish school events and workshops for parents in Foundation Stage. 	<u>EEF – Teaching and Learning Toolkit</u> <i>Parental engagement has a positive impact on average of 4 months additional progress... these are typically more effective with parents of young children</i>	1, 2 and 5
<ul style="list-style-type: none"> Develop opportunities for children entitled to pupil premium to adopt 		3

leadership roles with -in New pastures, in order to improve wellbeing and raise aspirations.		
<ul style="list-style-type: none"> Promote cultural capital experiences promoted in addition to the curriculum. 	Ofsted research (2019) places emphasis on improving cultural capital, particularly for disadvantaged pupils.	3
<ul style="list-style-type: none"> Ensure effective systems for monitoring attendance. 	<u>Department for Education (DfE)</u> - The higher the overall absence rate across KS2, the lower the likely level of attainment at the end of the key stage. - Pupils with no absence are 1.6 times more likely to achieve expected level or above, than pupils that missed 10-15% of all sessions.	4

Total budgeted cost: £ 155,000

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2024 to 2025 academic year.

Pupils make at least expected progress in reading, writing and maths.		
End of Year Assessment	Children entitled to PP	Not-PP children
Good Level of Development	67%	72%
Phonics – Year One	100%	75%
Multiplication Tables Check – Year Four	Ave score 20.9	Ave score 22.5
Reading – Year Six	50%	77%
Writing – Year Six	72%	69%
Mathematics – Year Six	72%	62%
Grammar, Punctuation and Spelling – Year Six	56%	62%
Combined – Year Six	50%	46%

Further opportunities for homework to reinforce reading and maths.

- Additional resources were shared with parents with phonics, so that work continues to extend the partnership between home and school. This priority remains a focus for securing further improvements in early reading outcomes.
- SATS Companion and Reading Plus - online resources for English and maths - have been purchased for all children in Y5 and Y6.
- Support staff were timetabled to listen to children read to enhance the support some families receive from home.
- A timetable of clubs supports children who want to do their homework in school.

Children entitled to pupil premium will have improved attendance and their rates of persistent absenteeism will reduce.

- There were a number of initiatives to improve attendance.
 - o Weekly rewards were given to the class with the highest attendance rates.
 - o There is a joint responsibility for improving attendance with all staff.
 - o Good attendance is celebrated in assemblies, in newsletters and on social media.
 - o Children who were persistently absent had their own targeted reward system and again, investment in rewards led to some improvements.
- Persistent absenteeism for children entitled to pupil premium still needs to remain a priority. The needs of the community are changing and we have more parents returning

to work. This has resulted in more holidays being taken during term time and this has been one of the main reasons for absence this year.

Pupils access a wide range of enrichment experiences both in and out of school.

- Throughout the last academic year there has been an increase in enrichment activities through clubs, both at lunch and after school.
